Visit Rose Levy Beranbaum at [realbakingwithrose.com](http://realbakingwithrose.com) and learn basic baking techniques with her, including measuring, preparing, and mixing ingredients to make cakes and creating decorations to dress them up.

Everything you need to create *heavenly* cakes-every time-can be found in this new collection of tried-and-true recipes by one of the most celebrated bakers of our time.

### Recipe Excerpts from *Rose's Heavenly Cakes*

Baby Lemon Cheesecakes

Whipped Cream Cake

Rose Red Velvet Cake

From Publishers Weekly

Beranbaum, specialist of baked goods that make people's eyes light up, tops her renowned *The Cake Bible* with an updated, modern collection of delicious confections. Bakers who have already dog-eared every page of that earlier book need not worry: this is far from a duplicate, with only the occasional repeat or adaptation. The recipes range from towering creations for weddings and other special events to baby cakes for bite-size indulgence, and from the simplest apple upside-down cake and yellow butter cupcakes to the elegant rose-shaped genoise and the stunning holiday pinecone cake. Beranbaum goes into great detail in her recipe instructions, yet still manages to keep the lengthy guidelines friendly, accessible and unintimidating, whether she is describing how to make a whipped ganache topping or beurre noisette, an integral part of her delicate array of financiers. Chocolate, fruit, cream, spun sugar: Beranbaum enlists the best ingredients (which she reviews in a helpful glossary) to create knockout cakes, and with her patient, meticulous description of the measurements and process, anyone with a good mixer and spatula, some time and determination will be able to turn out impressive sweet sensations. (Sept.)
