Cannabis Sativa Volume 3: The Essential Guide to the World's Finest Marijuana Strains From Green Candy Press

The third volume in the best-selling series featuring the world's finest *Cannabis sativa* strains.

Marijuana plants are classified into two species: *indica* and *sativa*. This book focuses on *sativa*, an especially tall and potent species of the *Cannabis* plant that true connoisseurs love not only for its psychedelic high, but also for the interesting challenges its size presents to growers. No other strain guide has looked at *Cannabis sativa* in such depth, with profiles of both emerging seed breeders and established cannabis seed companies. With details on 100 strains of amazing *sativa-dominant genetics, features on breeders from around the globe, and more pictures of marijuana than all other strain guides put together, this is a must-have guide for connoisseurs and growers looking to expand their knowledge about the plant and the genetics in their gardens.*
