My dear green smoothie friend,

It is my pleasure to bring you Green Smoothie Habit, Drink Your Greens To Achieve Your Dreams, 28 Day Success Guide.

I have created a wonderful life tool and I can't wait for you to get started. This is no ordinary green smoothie book.

You can be confident it works. When I first began my website in October 2010, I presented this program as my 30 Day Protocol. Versions of it were also offered in two different eBooks to field test it. Actually, I didn't know I was field testing it because at the time I didn't know it would become a book. I was just excited to find green smoothie friends and share the joy of drinking my greens with them.

They taste tested the smoothies and completed the Action Steps, the positive tools I provide you that can be used in your whole life, not just the green smoothie portion of it. Finally, the protocol and eBooks were merged, redesigned and edited, polished and loved up to bring you this book, the chlorophyll cream of my crop.

Whether you are a beginner or an experienced green smoothie drinker, 28 exciting days await as I take you beyond the blender. I don't want to give it all away here, but I think you will be pleased. This book is a road trip and I put you in my green smoothie car and drive you to the finish line. But you are the one that crosses it. Welcome.
