Hidden Mickeys: Field Guide to Walt Disney World's Best Kept Secrets By Seven M. Barrett

There's an extra special way to enjoy Walt Disney World and this book is your guide. Hunting for Hidden Mickeys (images of Mickey Mouse cleverly concealed in WDW's theme parks, restaurants, hotels, and other areas by Disney artists and designers) is fun for all and a bona fide vacation mission for many Disney World fans.

Author Steve Barrett adds to the fun by organizing the search into six separate scavenger hunts, complete with clues, hints, and points to be scored. There's a hunt for each of the four major theme parks, plus one for the resorts, and one for all the other areas. Compete with family and friends, or just use the Index to Mickey's Hiding Places in the back of the book to look for Mickey wherever you find yourself in WDW.

This guidebook to WDW's best kept secrets has been completely updated in this new fourth edition. You'll find more than 200 new Mickey sightings-over 800 hidden Mickeys in all!
