### Editorial Review

#### Amazon.com Review

Isaac Asimov was unquestionably one of America's greatest scientific writers--from his mind came the awe-inspiring Foundation trilogy and the classic *I, Robot*. It hardly comes as a surprise then, that the brain of Asimov was overflowing with facts, statistics, and millions of trivial tidbits. His *Book of Facts* comprises 3,000 of these little information snippets. To organize this wealth of data are distinct subject areas--ranging from chapters titled "Art" and "Medicine" to more obscure ones such as "Salty Facts" and the amusing "Strange Rules, Laws and Customs." Did you know, for instance, that the Tinguian people of the Philippines have a very unique way of kissing? They put their lips close to each other's faces, and then quickly inhale. Or that in the Middle Ages the Europeans put their disobedient animals on trial? Well, you know now! Asimov's *Books of Facts* immerses the reader into a humongous vat of information. Asimov feeds the brain. --Naomi Gesinger

### Users Review

#### From reader reviews:

##### Johnny Cervantes:

This Isaac Asimov's Book of Facts are reliable for you who want to certainly be a successful person, why. The explanation of this Isaac Asimov's Book of Facts can be on the list of great books you must have is definitely giving you more than just simple examining food but feed you with information that probably will shock your before knowledge. This book is handy, you can bring it all over the place and whenever your conditions in e-book and printed people. Beside that this Isaac Asimov's Book of Facts giving you an enormous of experience for example rich vocabulary, giving you trial run of critical thinking that could it useful in your day exercise. So , let's have it and enjoy reading.

##### Marianne Guzman:

Exactly why? Because this Isaac Asimov's Book of Facts is an unordinary book that the inside of the guide waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for

not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book have got such as help improving your proficiency and your critical thinking approach. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.

#### **Dennis Gaines:**

This Isaac Asimov's Book of Facts is great book for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This book reveal it info accurately using great plan word or we can state no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with lovely delivering sentences. Having Isaac Asimov's Book of Facts in your hand like keeping the world in your arm, details in it is not ridiculous a single. We can say that no publication that offer you world within ten or fifteen small right but this publication already do that. So , this can be good reading book. Hello Mr. and Mrs. stressful do you still doubt which?

#### **Marlene Tiggs:**

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Isaac Asimov's Book of Facts can make you truly feel more interested to read.
