## **Maintenance Workforce Solutions: An Organizational Development Approach** By Clarence Trowbridge

In Maintenance Workforce Solutions, author Clarence Trowbridge provides his readers with twenty workforce development templates and four organizational development tools used by consultants to influence executive decision-makers. Utilized together, the templates and tools will enable any maintenance or training leader with the opportunity to develop and lead a collaborative discussion among decision-makers to drive the creation of holistic, integrated business solutions. This book is about giving maintenance and training leaders the opportunity to broaden their influence and impact, while supporting efforts to build and integrate sustainable business solutions to address current and future maintenance workforce challenges in their organizations.
