### Editorial Review

#### About the Author

Garry Sharpe-Young is an internationally recognised expert on rock music. He is the author of more than a dozen books on heavy metal and rock, and since 2001 has managed the constantly expanding website, [www.rockdetector.com](http://www.rockdetector.com), the definitive on-line information resource for all loud rock/metal music. He maintains good relationships with all major metal acts, and their record companies and management. Joel McIver is an author, journalist, book and magazine editor and album compiler. He is an authority on rock music, and has written many books, including a best-selling biography of Metallica, *Justice For All*.

### Users Review

#### From reader reviews:

##### Elsie Port:

In other case, little individuals like to read book Metal: The Definitive Guide. You can choose the best book if you appreciate reading a book. Providing we know about how is important a book Metal: The Definitive Guide. You can add expertise and of course you can around the world by a book. Absolutely right, mainly because from book you can know everything! From your country until eventually foreign or abroad you can be known. About simple thing until wonderful thing you are able to know that. In this era, we could open a book as well as searching by internet unit. It is called e-book. You can use it when you feel uninterested to go to the library. Let's study.

##### Richard Lamm:

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a information or any news even an issue. What people must be consider if those information which is from the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Metal: The Definitive Guide as the daily resource information.

##### Monique Hightower:
