### Riding Passion By D. Jackson Leigh

Life is best measured by the moments that take our breath away.

An artist and a poet burn bright and hot after a chance meeting in a moonlight horseback ride on the beach. An empty house is still filled with memories of lust and love. Tearing open a birthday gift takes the wrapper off a woman's deepest fantasy. A breath-stealing ride through a star-studded night sky on a dragon horse ignites a fire never before experienced. A woman is reminded that her long-time partner still sees her through a lover's eyes. Mount up for a ride through a novella of passion and ten short stories of buried desire, sizzling encounters, and romantic surprises.
