And now the two are taking their relationship out of the shadows of the club, sharing secrets unleashed and bodies unbound....

### Soothing the Beast: Marina and James

From the Author

I loved the challenge in writing the ecstatic, meditative trance state involved in shibari rope bondage. It's amazing to look at my hopeis that people will look it up to see the beauty of the ropes.

My first hero, Desmond, is one of my tougher dominants. He's a tortured soul, strict, hyper-responsible. I love that Ava's gentleness brings him to his knees for the first time in his life.

James in the second story is one of my favorite heroes ever-and one of my editor's, too! As a war journalist he's been through somuch, and the ropes offer him a safe way to express his rage at the cruelty of the world. He's an incredibly strong character, one I couldn't help but fall in love with. Marina is every bit as strong as he is, and it was a joy to write her journey, to explore the way James broke through her tough reserve and

made her open up.

This was one of my favorite books to write-it made me cry as I typed, and I loved every minute of it.
