#### From the Back Cover

What a scoundrel wants, a scoundrel gets. . .

A decade ago, the Marquess of Bourne was cast from society with nothing but his title. Now a partner in London's most exclusive gaming hell, the cold, ruthless Bourne will do whatever it takes to regain his inheritance—including marrying perfect, proper Lady Penelope Marbury.

A broken engagement and years of disappointing courtships have left Penelope with little interest in a quiet, comfortable marriage, and a longing for something more. How lucky that her new husband has access to an unexplored world of pleasures.

Bourne may be a prince of London's illicit underworld, but he vows to keep Penelope untouched by its wickedness—a challenge indeed as the lady discovers her own desires, and her willingness to wager anything for them . . . even her heart.

#### About the Author

A life-long romance reader, Sarah MacLean wrote her first romance novel on a dare, and never looked back. She is the *New York Times* and *USA Today* bestselling author of historical romances, and the author of a monthly column at *The Washington Post* celebrating the best of the romance genre. She lives in New York City with her husband, daughter, dog and a ridiculously large collection of romance novels. She loves to hear from readers.
