Dressed for War: Uniform, Civilian Clothing & Trappings, 1914 to 1918 By Nina Edwards

Men in khaki and grey squatting in the trenches, women at work, gender bending in goggles, with overalls on over their trousers. What people wear matters. Well illustrated, this book tells the stories of what people on both sides wore on the front line and on the home front through the seismic years of World War I. Nina Edwards reveals fresh aspects of the war through the prism of the smallest details of personal dress, of clothes, hair and accessories, both in uniform and civilian wear. She explores how, during a period of extraordinary upheaval and rapid change, wearing a certain perfume, say, or the just-so adjustment to the tilt of a hat offer insights into the individual experience of men, women and children during the course of World War I.

Editorial Review

Review

Clothes have a language that illuminates the social and cultural significance of the circumstances in which they are worn. This is particularly true in wartime. *Dressed for War* is a fascinating and immensely readable account of in what and how both the military and civilians dressed, during the First World War. An apparently trivial subject turns out to have a profundity that adds a rich dimension to our understanding of the Great War in this its centenary year.' Juliet Gardiner

About the Author

Nina Edwards is a writer and cultural critic, whose books include *On the Button: The Significance of an Ordinary Item* (I.B.Tauris, 2011) and *Offal: A Global History* (2013).

Users Review
