### Haunted Fort Lauderdale (Haunted America) By John Marc Carr

From fashionable Las Olas Boulevard to Fort Lauderdale's historic downtown, explore many of the city's most haunted sites, the people who lived and died there, and the ghosts that dwell within.

Fort Lauderdale is famous for more than spring break, Snowbirds, and baseball. Known as the Venice of America, the city boasts a rich history, including a 1567 Jesuit mission and three forts that followed, battles waged between settlers and native tribes and the advance of the Florida East Coast Railway in 1896. Today the forts are gone, the battles have ended, and the railroad only provides freight service, but the ghosts remain. Author John Marc Carr, founder of Fort Lauderdale Ghost Tours, leads readers along the historical New River Intracoastal Waterway, visiting several of the city's most significant landmarks.

### **Editorial Review**

#### **About the Author**

John Marc Carr was born in Astoria, Queens, New York. At the age of three, John and his family moved to Long Island to escape the hard life of the city. They lived in a Cape Cod house in Garden City Park and began to remodel the house when Carr was eleven. As soon as the renovations started, unusual happenings began to occur. Doors would open and close on their own, footsteps could be heard walking up and down the steps and the sound of names being called would lure family members to empty rooms. John spent seven years hiding his head under his blankets and feeling unseen visitors sitting next to him on his bed. The family eventually had the house blessed and later moved away, but his experience with the paranormal shaped his life and forged his career.

John now uses his expertise as a paranormal investigator and helps those who are going through the same ordeal with their own homes. He founded SEFGR, the South East Florida Ghost Research team, and enjoys entertaining others with his popular Fort Lauderdale Ghost Tour.

### **Users Review**

#### **From reader reviews:**

##### **Teresa Raap:**

Book is to be different for each and every grade. Book for children until finally adult are different content. As we know that book is very important for all of us. The book Haunted Fort Lauderdale (Haunted America) seemed to be making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The reserve Haunted Fort Lauderdale (Haunted America) is not only giving you far more new information but also to be your friend when you sense bored. You can spend your own spend time to read your publication. Try to make relationship with all the book Haunted Fort Lauderdale (Haunted America). You never feel lose out for everything when you read some books.

##### **Phillip Patten:**

In this 21st hundred years, people become competitive in most way. By being competitive right now, people have do something to make all of them survives, being in the middle of the crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Yep, by reading a reserve your ability to survive raise then having chance to endure than other is high. Why, because this book is greater than just a book.

##### **David Musick:**

In this period of time globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The actual book that

recommended to you is Haunted Fort Lauderdale (Haunted America) this publication consist a lot of the information of the condition of this world now. This kind of book was represented how do the world has grown up. The language styles that writer value to explain it is easy to understand. Often the writer made some study when he makes this book. Honestly, that is why this book ideal all of you.

**Yvonne Webb:**

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Haunted Fort Lauderdale (Haunted America) can make you sense more interested to read.
