Justin Bieber: First Step 2 Forever: My Story By Justin Bieber

"It's a big, big world
It's easy to get lost in it..."

—Justin Bieber, "Up"

I love those lines in the lyrics. Sometimes I feel like that's what everyone's expecting. My world got very big, very fast, and a lot of people expect me to get lost in it. I grew up in a small town in Canada. I taught myself to sing in front of my bedroom mirror and to play guitar on a hand-me-down. My mom posted my first videos on YouTube. Never in my wildest dreams did I think that I'd sell millions of records, sing for the president of the United States and sell out a massive arena tour. So no, I'm not lost. Not at all. If anything, onstage in front of my fans, I'm home. I'm found. And that's what this book is about: my journey, from singing and busking on the sidewalk in Stratford, Ontario, to performing and showing my appreciation to millions of fans all over the world for making this dream a reality.

My music and lyrics give a glimpse of what's in my heart, but I think this book is a window into my world. In here are hundreds of pictures of me that no one's ever seen before, and I'll tell you about who I was before I joined forces with Scooter Braun and Usher and got a record deal, and who I've become since I've been blessed with the opportunity to share my music with the world. This is my gift to you, the fans who've supported and been with me on this amazing journey every step of the way.

Editorial Review

From School Library Journal

Grade 4–10—Interspersed with tweets, headline-sized quotes, and graphic, two-page chapter openings, this book has full-color slickness and loads of hype. Only 18 spreads in the entire book don't feature photos of the star. Divided into seven chapters, the text covers the show Bieber was working on while the book was written, his musical background, his family and hometown, how his music videos on YouTube created his fan base, getting a manager, and becoming a star. Within that outline, he attempts to give a sense of himself, as a regular kid who likes to play jokes, loves his family and friends, and is grateful for his success and his fans. For the boy who received a Range Rover for his 16th birthday, his tantrum in the rain after failing to pass his driver's test is rather entertaining. While this book will be popular only as long as Bieber maintains his popularity, it's likely to be worn out before fans are finished with this artist. Keeping the jacket poster will be a challenge, but the book cover displays the same image.—*Janet S. Thompson, Chicago Public Library*
