The Rolling Stones: Complete Recording Sessions 1962–2012 By Martin Elliott

The definitive, updated guide to the band's studio activity

Bringing the story up to date, this updated edition features every recording session and significant live recording listed in chronological order. Each song features a full commentary and provides information not only on the recording listed, but also places the recording in context with the historical period. Each track also comes with information including date, place, title, also known as, songwriter, track length, studio or live venue, production/engineer team, musician names, official or bootleg status, release title, date of release, years played live, UK and United States chart position, and number of weeks on the charts. The book also covers details of the band's live career and other activities such as autobiographies, and includes a full discography, making it an invaluable resource for any fan, from the casual to the die-hard.
