The Sheik's Blackmailed Bride (The War, Love, and Harmony Series) (Volume 5) By Elizabeth Lennox

Luna couldn't believe the chain of events that had led to her wedding day. All she'd wanted was to save her small village, to help the residents to get out from underneath their crippling debt. So she'd written to the man who owned the bank. And here she was, walking down the aisle toward a man she barely knew. A man who could make her body sing but who could crush her hopes and dreams with a few harsh words. Dassar needed a wife. The lovely Luna fit none of his criteria. She was too soft, too sweet and would be hurt by palace life. So why couldn't he forget her? Why could she get under his skin so easily? And why couldn't he simply walk away?

Editorial Review

About the Author

Elizabeth Lennox writes contemporary romance novels featuring sheiks, business tycoons, royalty, and other sexy rich men. Her male lead characters are smart, driven and determined, but can still be sensitive and vulnerable. Elizabeth's female lead characters come from a variety of backgrounds. They are strong, intelligent and independent, while still feminine and caring. Although she wanted to be a romance novelist since the eighth grade, that dream only became a (paid) reality for her in 2009 and a full time job in 2012. Along the way, she received a BS in History and held different jobs in the real estate, government consulting, and financial industries. All during that time, though, she was always writing, using her personal experiences, dreams, and travels throughout the United States, Europe and the Caribbean as backdrops for her stories. To date, she has written over seventy books and sold over one million copies. Her free novellas have been downloaded over 2.2 million times since 2013 and her books have made the USA Today™ Best-Sellers list. Elizabeth lives in Virginia with her husband and two children. Their home is just outside of Washington, D.C., and many of her novels are set in this area.

Users Review

From reader reviews:

Nyla Gomez:

In this 21st centuries, people become competitive in each and every way. By being competitive right now, people have do something to make these people survives, being in the middle of often the crowded place and notice by simply surrounding.
