#### **Marylou Standley:**

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or

even make summary for some book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this VAT Aspects of Electronic Invoicing and E-commerce can make you sense more interested to read.
