Abandon Book 3: Awaken By Meg Cabot

From #1 New York Times bestselling author Meg Cabot, the dark reimagining of the Persephone myth comes to a thrilling conclusion.

Death has her in his clutches. She doesn't want him to let go.

Seventeen-year-old Pierce Oliviera knew by accepting the love of John Hayden, she'd be forced to live forever in the one place she's always dreaded most: the Underworld. The sacrifice seemed worth it, though, because it meant she could be with the boy she loves.

But now her happiness -- and safety -- are threatened, all because the Furies have discovered that John has broken one of their strictest rules: He revived a human soul.

If the balance between life and death isn't fixed, both the Underworld and Pierce's home back on earth will be wiped away. But there's only one way to restore order. Someone has to die.

Editorial Review

From [Booklist](#)

While the souls of the dead stack up in the Underworld for want of a boat to take them to their final destinations, 17-year-old Pierce and her boyfriend, John, Lord of the Underworld, find themselves Earth-side in the middle of a hurricane, in a fight to defeat a corrupt developer whose son is possessed by Thanatos, the Greek personification of Death. All the while, Pierce and John are pursued by the Furies, bent on destroying the Underworld by killing off its lord and his consort. This is the concluding title of Cabot's Abandon trilogy, loosely based on the Persephone myth, and readers will definitely want to read *Abandon* (2011) and *Underworld* (2012) first. Action rather than characterization moves this clever, agreeable tale along to a neatly negotiated ending, and the author keeps a light touch while dealing with dead people, judgment, and the consequences of getting involved rather than standing on the sidelines. Recommend to those who liked Jennifer Estep's *Mythos Academy* titles or Cabot's own *Avalon High* (2006). **HIGH-DEMAND BACKSTORY:** Best-seller Cabot wrapping up a trilogy? This ought to go out like hotcakes, so make sure you've got a full stack. Grades 7-10. --Cindy Welch

Review

Praise for ABANDON

"Meg Cabot is arguably the queen of contemporary teen novels . . . Her retelling of this old myth is smart, sassy, and of the moment." -- **NEW YORK JOURNAL OF BOOKS**

"Pierce is an endearing and amusing heroine, and John is an ethereal yet ardent lover who should elicit a few sighs." -- **BOOKLIST ONLINE**

"Readers will love Cabot's newest venture into mythological lore." -- **TEENREADS.COM**
