Editorial Review

From Publishers Weekly

In this eloquent revisionist biography of English novelist Charlotte Bronte (1816-1855), Gordon (Shared Lives) argues that she hid a passionate nature beneath the facade of a dutiful Victorian woman. She and her sisters Anne (The Tenant of Wildfell Hall) and Emily (Wuthering Heights) penned fiction and poetry during Yorkshire evenings at the Haworth Parsonage where they lived with their dictatorial father. Although the sisters initially published under male pseudonyms, Charlotte revealed their identities after she wrote Jane Eyre (1847). Gordon draws on letters and her analysis of Charlotte's autobiographical fiction (Shirley; Villette) to reveal an ambitious writer with tart humor who raged against the constraints society placed on her sex, as well as a woman who, after two unrequited love affairs, embarked on a brief but happy marriage. Earlier accounts that portrayed Charlotte as a lonely, tragic figure, Gordon maintains, were skewed because of the morality of the times and Charlotte's grief at the deaths of her two sisters and brother Branwell.

From School Library Journal

YA?After her death, Charlotte Bronte's father, husband, lifelong friends, and her first biographer set about to whitewash her character. While this may be a somewhat harsh evaluation, it does seem that the efforts of these original guardians of her legacy have served to lessen the impact of her personality and made the passionate life of Gordon's title into one befitting a proper and pious Victorian wife and daughter. In this fascinating look at her true motives and desires, Gordon shows that Charlotte continually desired to push to the limits the situation of women in Victorian life. In a readable and engrossing account, the author leads readers into the mind and even the soul of her subject. They can follow her development from a romantic, solitary child, happy only in the company of her siblings; through her life as a student, teacher, governess; and finally as a wife. YAs will come to understand why, in the end, she willingly sacrifices her art for her marriage. This is a vivid description of the place of women in Victorian society as well as an excellent biography. It includes extensive notes, a bibliography, both primary and secondary sources with much coverage of the Brontes' juvenalia, as well as photographs and sketches. Susan H. Woodcock, King's Park Library, Burke, VA

From Library Journal

In this passionate take on the life of the undervalued English novelist Charlotte Bronte, Gordon (Shared Lives, LJ 5/1/92) unfolds the painful tale of smoldering genius struggling to come to light. In the Victorian age, when women of little means or beauty were relegated for the most part to menial teaching professions, Charlotte and her sisters Emily and Ann (and brother, Branwell, though as a boy he had more opportunities) wrote in the cold, lonely parsonage of West Yorkshire where they grew up. Under the pseudonyms Currer, Ellis, and Acton Bell, they all published and soon after died—except Charlotte, who in 1849 received instant success with Jane Eyre, the novel which proved that a heroine could in fact be plain and passionate. Gordon's reconstruction of Charlotte's brief, tempestuous life reveals an admirably careful reading of her letters and novels, though she too summarily touches on the work of the other sisters. The suppressed rage of this "quivering mouse" is palpable on every page. A sterling biography for all collections.

From reader reviews:

Edward Schanz:

The event that you get from Charlotte Bronte: A Passionate Life could be the more deep you digging the information that hide inside the words the more you get enthusiastic about reading it. It does not mean that this book is hard to recognise but Charlotte Bronte: A Passionate Life giving you excitement feeling of reading. The author conveys their point in specific way that can be understood by anyone who read this because the author of this reserve is well-known enough. This specific book also makes your own vocabulary increase well. So it is easy to understand then can go to you, both in printed or e-book style are available. We highly recommend you for having this particular Charlotte Bronte: A Passionate Life instantly.

Carolyn Robles:

Beside this Charlotte Bronte: A Passionate Life in your phone, it can give you a way to get more close to the new knowledge or details. The information and the knowledge you can got here is fresh from oven so don't possibly be worry if you feel like an outdated people live in narrow village. It is good thing to have Charlotte Bronte: A Passionate Life because this book offers to you readable information. Do you oftentimes have book but you don't get what it's interesting features of. Oh come on, that would not happen if you have this in your hand. The Enjoyable agreement here cannot be questionable, such as treasuring beautiful island. Use you still want to miss the item? Find this book along with read it from now!

Eleanor Abney:

You will get this Charlotte Bronte: A Passionate Life by look at the bookstore or Mall. Simply viewing or reviewing it could to be your solve problem if you get difficulties for ones knowledge. Kinds of this guide are various. Not only through written or printed but also can you enjoy this book simply by e-book. In the modern era including now, you just looking because of your mobile phone and searching what your problem. Right now, choose your own personal ways to get more information about your guide. It is most important to arrange you to ultimately make your knowledge are still up-date. Let's try to choose correct ways for you.

Yolanda Harris:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Charlotte Bronte: A Passionate Life can make you sense more interested to read.
