## Fat Chance By Rhonda Pollero

**The difference between the wrath of God and the wrath of your mother is that eventually God forgives you.**

Finley Anderson Tanner just landed a quaint new cottage on posh Palm Beach. Not bad for an underachieving, sample-sale-shopping paralegal -- until she finds the place in shambles. She should have known better than to accept her overbearing mother's offer to sell her a house unseen at a bargain-basement mortgage rate. Good-bye Rolex dreams. At this rate, she'll be shopping designer outlets forever.

When Finley discovers a skeleton in her new closet, right where her Jimmy Choos should be, a total home renovation is the least of her worries. Sure, she knows how to catch a crook, but when a girl's sandwiched between sexy P.I. Liam McGarrity and her hot new boss, defense attorney Tony Caprelli, she can only be headed for commitment. To an institution. With her fabulous (but slightly more successful) friends to keep her sane and her interfering mother out of town, Finley vows to get this bad guy -- and decorate her new house -- even if she has to pay full price.

## Editorial Review

From Publishers Weekly

An amusing, at times strident narrative voice drives Pollero's third Palm Beach puzzler (after 2008's *Knock 'em Dead*). Pert paralegal Finley Anderson Tanner is stunned when her divalicious mother, Cassidy Johnstone, sells her the beach-front house once owned by Finley's late beloved stepdad, Jonathan Tanner, for \$25,000. Discouraged by the renovations needed on the property, Finley finds support from such friends as interior designer Sam and annoying if hunky PI Liam McGarrity. Nothing prepares her, however, for the literal skeleton in the closet—the remains of a girl clutching a medallion Finley gave Jonathan when she was a child. Finley's frantic efforts to stay romantic and fashion forward while seeking to identify a homicide victim and catch a nefarious killer make for a jittery mix that doesn't always jell. (Mar.)

Finley Anderson Tanner knew there had to be a catch when her mother offered to do her a “favor” by selling her an old cottage in Palm Beach for considerably less than market value. Of course, Finley thought the reason the deal was so great was because the house needs major renovation. Once Finley takes ownership, though, she discovers something that wasn't in the contract: a skeleton in the closet. Finding out who put the unwanted addition in her new dream home will take some work, but fortunately for Finley, she has the help of annoyingly sexy private investigator Liam McGarrity and her new boss, the just-as-hot Tony Caprelli. Amateur detection and designer shopping on a discount play equally entertaining roles in the third installment in Pollero's addictively acerbic chick-lit mystery hybrid series featuring Florida paralegal Tanner.

About the Author

**Rhonda Pollero** is the *USA TODAY* bestselling author of four previous Finley Anderson Tanner novels: *Slightly Irregular*, *Fat Chance*, *Knock 'Em Dead*, and *Knock Off*. A perpetual student with six degrees from seven colleges, studying everything from sociology to forensics, to history, to law, and just for fun, culinary arts, she lives in south Florida with her family.
