Girl in the Blue Coat By Monica Hesse

An unforgettable story of bravery, grief, and love in impossible times

"*Girl in the Blue Coat* is a powerful, compelling coming-of-age story set against the dark and dangerous backdrop of World War II. It's an important and page-turning look at the choices all of us--including young adults--have to make in wartime. A beautiful combination of heartbreak, loss, young love, and hope."
-**Kristin Hannah**, #1 *New York Times* bestselling author of *The Nightingale*

"A tapestry of guilt and acceptance, growing responsibility, and reluctant heroism, Hanneke's coming-of-age under heartbreaking circumstances is a jarring reminder of how war consumes and transforms the passions of ordinary life. Every devastating moment of this beautiful novel is both poignant and powerful, and every word feels true." -**Elizabeth Wein**, *New York Times* bestselling author of *Code Name Verity*

Amsterdam, 1943. Hanneke spends her days procuring and delivering sought-after black market goods to paying customers, her nights hiding the true nature of her work from her concerned parents, and every waking moment mourning her boyfriend, who was killed on the Dutch front lines when the Germans invaded. She likes to think of her illegal work as a small act of rebellion.

On a routine delivery, a client asks Hanneke for help. Expecting to hear that Mrs. Janssen wants meat or kerosene, Hanneke is shocked by the older woman's frantic plea to find a *person*--a Jewish teenager Mrs. Janssen had been hiding, who has vanished without a trace from a secret room. Hanneke initially wants nothing to do with such dangerous work, but is ultimately drawn into a web of mysteries and stunning revelations that lead her into the heart of the resistance, open her eyes to the horrors of the Nazi war machine, and compel her to take desperate action.

Beautifully written, intricately plotted, and meticulously researched, *Girl in the Blue Coat* is an extraordinary, gripping novel from a bright new voice.

Editorial Review

From School Library Journal

Gr 9 Up—In Nazi-occupied Holland, Hanneke seems like an ordinary girl working at a funeral parlor to help support her family during wartime. But her Aryan features and charming smile allow her to work as a courier on the black market smuggling cigarettes, meat, and other unavailable items to paying customers. While Hanneke is not a member of the Dutch resistance, her actions are a direct result of the loss of Bas, her boyfriend. Lying about his age, he enlisted and died on the frontlines during the German invasion. When one of her best customers asks for her assistance in finding a Jewish girl she was hiding, Hanneke is stunned. But soon after, she is drawn into the mysterious disappearance of the girl in the blue coat. What she uncovers as she searches for answers leads her on a journey of self-discovery, self-realization, and redemption. Hesse crafts a thought-provoking and gripping historical novel. The themes of love, betrayal, heroism, social responsibility, and atonement are beautifully intertwined with well-developed characters and a compelling story line. Thoroughly researched, this work brings history alive in a clear and concise way that rings true. VERDICT A must-read for fans of historical fiction, especially stories set during World War II.—Donna Rosenblum, Floral Park Memorial High School, NY

Users Review

From reader reviews:

Cora Gallien:

The book *Girl in the Blue Coat* can give more knowledge and information about everything you want. Why then must we leave a good thing like a book *Girl in the Blue Coat*? Several of you have a different opinion about reserve. But one aim that book can give many facts for us. It is absolutely correct. Right now, try to closer along with your book. Knowledge or data that you take for that, you are able to give for each other; you may share all of these. Book *Girl in the Blue Coat* has simple shape however, you know: it has great and big function for you. You can search the enormous world by open and read a guide. So it is very wonderful.

Christina Vallejo:

Book is to be different for every grade. Book for children right up until adult are different content. We all know that that book is very important for people. The book *Girl in the Blue Coat* has been making you to know about other knowledge and of course you can take more information. It is very advantages for you. The publication *Girl in the Blue Coat* is not only giving you far more new information but also for being your friend when you really feel bored. You can spend your own spend time to read your publication. Try to make relationship using the book *Girl in the Blue Coat*. You never really feel lose out for everything when you read some books.

Judy Williams:

This *Girl in the Blue Coat* are reliable for you who want to become a successful person, why. The reason of this *Girl in the Blue Coat* can be one of several great books you must have will be giving you more than just simple reading through food but feed anyone with information that perhaps will shock your before knowledge. This book is definitely handy, you can bring it all over the place and whenever your conditions both in e-book and printed types. Beside that this *Girl in the Blue Coat* forcing you to have an enormous of experience for example rich vocabulary, giving you demo of critical thinking that we realize it useful in your day activity. So , let's have it and enjoy reading.

Brandon Gentry:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this *Girl in the Blue Coat* can make you experience more interested to read.
