Stones To Abbigale By Onision

I want to be direct, my name is Greg. I go by “Onision” online. This book is made up of events that occurred in my own life mixed with fiction from the made up life of James. James is essentially a better version of myself. His home, his school & his life all resemble my own at his age. The people James analyzes and is surrounded by are not so unlike those I’ve known as well. I have experienced much of the loss James has however his happier moments are more often than not also mine. I want to share my story without it being purely non-fiction. I simply felt this approach would make for a far better book. At points I cried while writing this, at others I laughed. Stones To Abbigale is not just a book I wrote, it is a piece of who I am.

Editorial Review

About the Author

I am Gregory Jackson, I use the name "Onision" online to represent myself. To be blunt, Stones to Abbigale is the first book I've ever written. I haven't even read a book cover to cover in about 14 years aside from Stones To Abbigale. The above information might be enough to make most readers run, but it's the truth. Regardless, I wrote Stones to Abbigale from the heart. One of the best ways to better understand who I am is to read the book. Learning about James means learning about me. I don't want to sell this book, I want Stones To Abbigale to sell itself, so if you're not interested, I hope you find a book you want to read elsewhere soon. Thank you for taking the time to read this.

Users Review

From reader reviews:

Jeremy Scott:

What do you consider book? It is just for students since they are still students or the item for all people in the world, what best subject for that? Simply you can be answered for that problem above. Every person has several personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book Stones To Abbigale. All type of book are you able to see on many methods. You can look for the internet methods or other social media.

Pauline Jones:
