The Unofficial Guide to Childcare By Ann Douglas

Childcare has always been a concern for parents. There are more than 20 million U.S. households with young children, more than half of whom receive care from someone other than the parents. So how exactly is a mother and/or a father to wade through the options to determine what's right for their family? *The Unofficial Guide to Childcare* can help set minds at ease with its unbiased, street-smart style and practical tools to help parents interview caregivers and evaluate childcare facilities. From assessing a particular child's needs to finding a caregiver, assessing health and safety practices to noticing warning signs in daycare facilities, to transitioning a child into daycare, this guide will aid parents as they make one of the biggest decisions of their lives.

Editorial Review

From the Back Cover

The inside scoop... for when you want more than the official line! Nothing is more important to you than the welfare of your children, especially when you can't be at home with them yourself. But with so many childcare options—daycare centers, family daycare providers, baby-sitters, nannies, au pairs, and others—it's difficult to zero in on exactly the kind of care your child needs at a price you can afford. You need to know who you can trust. You want the inside scoop. The Unofficial Guide™ to Childcare gives savvy consumers like you a foolproof appraisal of everything you need to know to get peace of mind—with unbiased recommendations that are not influenced by any company, product, or organization. This book, like every Unofficial Guide,™ is intensively inspected by the Unofficial Panel of Experts, a team of top-notch childcare professionals. They ensure that you are armed with the most up-to-date insider information available on childcare, and are told exactly what the Official establishment doesn't want you to know. In this Unofficial Guide,™ you get: Vital Information that other sources can't or won't reveal—from where to find the best childcare to how much it really costs. Insider Secrets on how to evaluate and choose out-of-home childcare options, how to investigate potential caregivers, and what to do if you suspect child abuse or neglect. Money-Saving Techniques that help you set a reasonable salary for your at-home caregiver and take advantage of tax breaks for your childcare costs. Time-Saving Tips designed to help you find the best possible childcare situation in the shortest amount of time. The Latest Trends in childcare arrangements—even for children with special needs. Handy Checklists and Charts to help you coordinate your childcare schedule with the rest of your family life.

Users Review

From reader reviews:

Lou Bryant:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each reserve has different aim as well as goal; it means that reserve has different type. Some people truly feel enjoy to spend their time and energy to read a book. They are really reading whatever they consider because their hobby is actually reading a book. Consider the person who don't like studying a book? Sometime, person feel need book once they found difficult problem or exercise. Well, probably you will need this The Unofficial Guide to Childcare.

John Jones:

As people who live in the modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by reading through books. It is a good choice for yourself but the problems coming to anyone is you don't know which one you should start with. This The Unofficial Guide to Childcare is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Flora Gordon:

Your reading sixth sense will not betray anyone, why because this The Unofficial Guide to Childcare reserve written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written inside good manner for you, still dripping wet every ideas and writing skill only for eliminate your own hunger then you still doubt The Unofficial Guide to Childcare as good book not simply by the cover but also by the content. This is one publication that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick that!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.

William Lebel:

Reading a book for being new life style in this yr; every people loves to study a book. When you study a book you can get a lots of benefit. When you read guides, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read.
